

**New Construction  
Planning**

A facilities master plan for the school district will be developed and kept up to date. The facilities master plan will reflect the needs of the current instructional procedures and projected educational programming. The master plan will incorporate population projections, enrollment projections, site acquisition, school plant placement, and determination of financial needs for providing the necessary school facilities.

**New Construction****Construction in Physical Facilities/Naming of Facility**

It shall be the prerogative of the Board of Education to establish the need and appropriateness for naming any school unit, which includes all outdoor and indoor facilities of the school. When the need has been determined, guidelines will be established by the Board of Education and input will be sought from members of the community.

If the school is named after a person, preference shall be given to names of deceased persons who have made a significant contribution to education.
